Establishment - Temporary - Taluk Office, Coondapur - Clerk - Retention - Sanction - Sought.

-

The sanction accorded for the retention of the -- temporary clerk attached to the Taluk Office, Coondapoor for a period of one year from 1-4-1935 in G.O.No.R. 163 Rev., dated 26-3-1935 expires on 31-3-1936. I am -- convinced that the amount of work in the Taluk Office is such that the ordinary staff employed there should continue to be strengthened for a further period of one year. I request therefore that Government sanction may be sought for the retention of the temporary clerk for a further period of one year from 1-4-1936.

Board's Refce.thereon No.C. 660/36-1 dated 4-2-1936.

(U.)

The Collector's attention is invited to G.O.R. 577 Rev. dated 19-10-33 in which Government have stated that the necessity for the permanent retention of the clerk should be reported on with full details when the resettlement operations have been completed. As the resettlement has been introduced in the district in Fasli 1344 the -- Collector is requested to report whether the increase of work consequent on the resettlement operations is not yet over and if it is over why he has asked for the retention of the clerk for a further period of one year from 1-4-36. If there is justification for the permanent retention of the clerk, the proposal should have been brought forward as a Part II Scheme for 1936-37.

Asst.Secretary

Ref.- Board's Ref.No.C. 660/36-1 dated 4th Febry.36.

Though the resettlement was introduced in this District in fasli 1344, the increase of work consequent on the resettlement operations is not yet over. A branch of the Settlement Office is still working in Mangalore and it is asking for information every now and then. So long as the new land registers are not printed and the Taluk registers and F.M.Books in the Branch Settlement Office are not returned to the taluk offices there is extra work in the Taluk Offices. There is also work connected with the resettlement operations such as the work connected with the sub division of conversions from dry to wet. The increment remissions connected with the resettlement also take more time of the Taluk Clerks than before in the scrutiny of Jamabandy accounts. Suspension or remission of revenue has beeome a feature of recent years, which involves the preparation of fresh accounts connected therewith after Jamabandy. These accounts have to be scrutinised by the Taluk clerks and the scrutiny takes considerable time. The preparation of electoral rolls is also a matter going on continuously. Besides a comparison of the statistics of work in all the Taluk Offices shows that the work in the Taluk Office Coondapur is in no way less, so as to justify the removal of the additional clerk. The Tahsildar reports that it will be extremely difficult to carry on the work if the additional clerk sought for is not sanctioned.

2. I submit that the permanent retention of the clerk may be brought forward as a Part II Scheme for 1937-38. Meanwhile I request that the temporary retention of the clerk for one more year already sought for may be sanctioned.
